

## **Inland Waterways and the North Sea Region**

## **Pete Byman**

- Vice –President North Sea Commission
- Executive delegate:
  - Water management
  - Economics
  - International Contact

Bremen, May 11 2006

## North Sea Commission

- CPMR
- Challenges and opportunities North Sea
- North Sea as an economic entity
- Positive benefits to people
- Future: cooperation with Baltic Sea Commission

## Other regions in Northern Europe

### **Maritime Safety Umbrella Operation:**

- Linking maritime safety projects and related projects
- Links with Interreg IIIB Programme Areas (e.g. Northern Periphery, Baltic Sea Region)

## Frisian Lake Project (2)

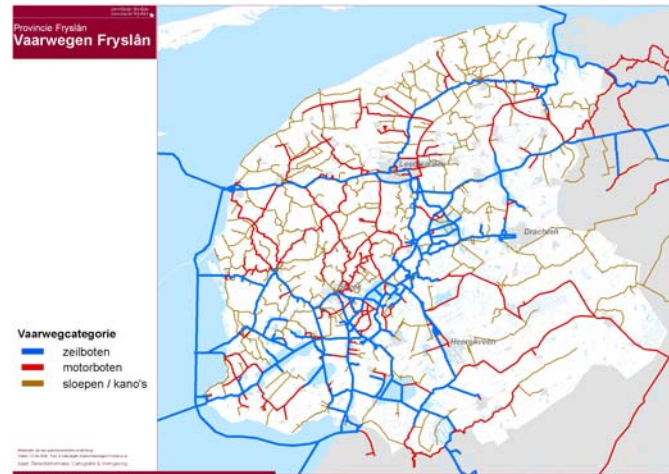

Artist impression aquaduct Woudsend

## Frisian Lake Project (3)

## Frisian Lake Project (4)

## Frisian Lakes and Canal Link

- Old waterways  
→usable for recreational navigation
- Separating commercial from recreational navigation

## Be ambitious

- Work together to strengthen navigable routes
- Attention to water systems
- New technologies → water tourism developments
- Elaborate on Canal Link ideas

## Future

**Thank you**
